Volunteering

May 2020 **Surviving Memory in Postwar in El Salvador**
<https://www.elsalvadormemory.org/>
 Transcriber and data analyst, cataloguing Salvadorian songs recorded as part of music workshops made by the foundation. This project is a collaborative research initiative and international partnership of survivors, scholars, artists, lawyers, museums, architects, community organizers, municipal governments, civil society organizations and mental health professionals documenting history of the Salvadorian Civil War (1980-1992) and preventing future violence.
